

SRINKO

CUSTOMIZED EXCELLENCE

OUR STORY

Srinko Enterprises (Pvt) Ltd, a Company Under the **Srinko Group of Companies** was established in 1984 and Specialises in manufacturing items made from PP Coated Paper Materials and recycled Paper Boards Located in Colombo, Sri Lanka They have Successfully captured Majority of the local Market as well as being established global player. The Company's backward and forward integration has helped them to develop a competitive edge in manufacturing and looks to be a dominant force in the world market

MISSION & VISION

At Srinko, we aim to provide Our Customers highest quality end products through our carefully planned production, to interspace and maintain our position in the market locally and globally while gaining customer confidence and loyalty in the brand. We will give our best fall our stakeholders for personal and professional growths

CUSTOMIZATION

Our **Main Selling point lies in Customization**. Almost all of our products can be customization in any way in Order to fit customer requirements. In addition, **Customers can bring product designed by them that is not our catalogues and they will be Taylor made for them in any quantities**.

SUCCESS

As a result of our System, we have attained a massive market share in the local market as well as a substantial amount in the global market with clients from all around the world including Italy, Japan, Canada, UK and the middle east due to our Product excelling and lasting customer relationship.

FACILITIES

We have manufacturing facilities in Paper Gluing PVC Welding and Sewing sections. In our sewing sections, we manufacture all kinds if Bags such as Polyester, Non-woven, Canvas etc. We also have our Offset Printing facilities as well as hot stamping and Screen Printing. We manufacture all our Recycle Paper Board through our recycle paper plant. Which also has a gluing section to assemble the boards with the PVC Materials. This whole process of forward intergration helps up give our products at a very competitive price in the world market.
